

KV 440 UPVC-ALUMINIUM-COMPOSITE WINDOW

CHARACTERISTICS

 **Thermal insulation** (in W/m²K)
U_w up to 0,64

 **Sound reduction** (in dB)
up to 39 - 45

 **Security**
up to RC 2

 **Locking**
fully concealed

 **Installation Depth** (in mm)
93

- I-tec Glazing**
- I-tec Shading**
- I-tec Insulation**
- I-tec Connect**

The flush transition between frame and sash, combined with the integrated sun and privacy protection unites KV 440 into a single unit. Venetian, Roman or the black-out Duettes® blinds are integrated between accessible panes and therefore protected from dirt. With perfect sun, privacy, heat and sound insulation, you can enjoy quadruple protection in just one window. Using a photovoltaic module and battery, I-tec Shading can be controlled without an additional external power source.

Cuts

Senkrecht / Vertical

Waagrecht / Horizontal

Stulp / Flying mullion

BM Bestellmaß / Ordering size
 FM G Flügelmaß Gehflügel / Sash size master sash
 FM S Flügelmaß Stehflügel / Sash size slave sash
 FOK Fußbodenoberkante / Finished floor level

GM Glasmaß / Glass size
 RA Rahmenaußenmaß / Outside frame size
 TM Teilungsmaß / Division size

**ECLAZ®** – Enjoy the many benefits of the Internorm **ECLAZ® Premium Coating****More light & transparency**

- The special coating allows more daylight to enter the interior, therefore making it brighter and friendlier.
- Enjoy a clearer view of the outside. The external reflection or mirror effect is also low and the glass is colour-neutral from the outside.

Improved health & productivity

- ECLAZ® helps to regulate your inner balance. Blue light from the sun helps to regulate your natural sleep and wake cycle, elevate moods and increase the feeling of well being.

Increased happiness & well-being

- Daylight has a balanced light spectrum and regulates the serotonin balance, which is responsible for well-being and life energy. Halogen bulbs, fluorescent tubes and LEDs lack these important light frequencies. ECLAZ® floods the house with daylight.

- 77% more light transmission of triple glazing with ECLAZ® helps to boost health and well-being, especially in the darker autumn and winter months.

Better energy efficiency & higher cost savings

- Less heat loss: ECLAZ® provides excellent thermal insulation, therefore reducing heating costs.
- Greater energy savings: 60% improvement in solar gain with triple glazing resulting in lower heating costs and higher energy efficiency.

Get more as standard

- ECLAZ® is fitted as standard in every Internorm window.
- No additional costs. You enjoy the benefits of this premium glass coating without having to pay more.
